

MEETINGS AFRICA 2012 LIFESTYLE GOLF & SAFARI WEEKEND 24 – 26 FEBRUARY 2012

We invite you to participate in our Lifestyle Golf & Safari Weekend, kick-starting the activities for Meetings Africa 2012. Join local corporate executives, hosted international buyers and business tourism exhibitors for networking on a whole different scale.

Welcome to Legend Golf & Safari Resort at the heart of the Entabeni Safari Conservancy in Limpopo, South Africa.

This is the "Place of the Mountain" - a land of myth and legend. Where the big five roam wild across 22,000 hectares of unspoiled, malaria-free bushveld and majestic mountains. Where world class golf attracts the best names in the game. Where a world-in-one course is more than just a place to play golf.

Here there's always something to see long after the game has ended.

This is a place of extremes and the extraordinary. This is the Legend Golf and Safari Resort - the venue for Meetings Africa 2012 Lifestyle Golf and Safari Weekend.

We have arranged special rates for accommodation should you wish to stay over. Non-golfers can enjoy game drives and spa treatments. Transfers will be provided from Johannesburg to Limpopo return. Please feel free to select the activities that suit your staff and clients best.
